## **Patni amongst the Top 10 Insurance Technology Vendors in 2008 FinTech 100 Ranking**

*Ranks 35<sup>th</sup> in the global annual listing of top technology providers for financial institutions*

**Mumbai –December 10, 2008** -- [Patni Computer Systems](#) (BSE: PATNI COMPUT, NSE: PATNI, NYSE: PTI), a leading global IT and BPO services provider, today announced that FinTech 100, a premier annual listing of top technology providers, has positioned it as amongst the Top10 vendors for the Insurance sector. Patni is also ranked 35<sup>th</sup> among the top 100 global entities offering IT solutions for financial institutions.

Patni has consistently improved its ranking in the FinTech 100 and has moved up from # 45 in 2007 and # 60 in 2006. FinTech 100 is an annual ranking of IT providers within the financial services industry announced by The American Banker, SourceMedia's flagship publication for banking and financial services professionals, and global independent advisory firm Financial Insights, an IDC Company. This is the fifth year of FinTech 100, and each ranking is categorized and evaluated based on CY07 year-end revenues and the percentage of revenues attributed to financial services.

“Over the last two years Patni has made substantial investments in creating solutions, frameworks, processes and methodologies tailored to the needs of diversified financial services organizations,” said **Mohan Hastak, Senior Vice-President, BFSI, Patni**. “Our rise in the FinTech ranking validates our approach which focuses on enabling customers to achieve their business goals despite challenging times,” he added.
