

FOR IMMEDIATE RELEASE

Patni Becomes SAP® Services Partner in Japan

*Offers global experience in consulting and system integration
in support of SAP solutions to Japanese enterprises*

Japan, March 03, 2009: [Patni Computer Systems](#) (BSE: PATNI COMPUT, NSE: PATNI, NYSE: PTI), a leading global IT and BPO services provider, today announced the formation of a local SAP® services partnership with SAP Japan aimed at the Japanese market. The partnership will allow Patni to enhance its proficiency in delivering high value to its customers as an SAP services partner in Japan.

SAP services partners help SAP customers design, implement and integrate solutions, optimize business processes, and provide strategic business consultation. As an SAP services partner in Japan, Patni will take an active part in the support, customization and deployment of SAP solution-based systems for customers in Japan.

Patni has proven competencies and extensive experience in designing, implementing and integrating SAP solutions for an impressive list of clients across the world. With this partnership, Patni will deploy its bilingual consultant team - knowledgeable of SAP software, to Japan and India; this team will focus on providing application management services in support of SAP solutions, and support for the following SAP solutions: the SAP NetWeaver® technology platform, the SAP NetWeaver Business Warehouse component and SAP Supply Network Collaboration packages.

Commenting on the partnership, **Mr. Deepak Khosla, Senior Vice-President & Head APAC, Patni**, said, "Patni has a keen focus on the Japanese market, and this partnership will enable us to further enhance value and accelerate growth for Japanese companies. We are confident that this partnership with SAP Japan, combined with our experience in providing solutions and services in support of SAP software to Fortune 1000 companies, will help companies in Japan to lower costs, align application investments with business goals, and maintain competitive advantage."

Mr. Kent Asai, Country Manager, Patni Japan, added, "We are pleased about this partnership with SAP Japan. Patni Japan will provide high-quality, cost-effective services to the Japanese clients located not only in Japan but also worldwide."
